London Art Studies present 'The Insider's Guide to Frieze'

Brush up on your knowledge with Ben Street in preparation for this month's festival

TUESDAY, OCT 06

A "power hour" evening course that promises to demystify Frieze and equip guests with the analytical skills required to navigate this jewel in the art fair circuit. Art expert Ben Street (Tate, Saatchi Gallery, Christie's) will focus on anticipated highlights for both Frieze and its sister fair, FriezeMasters.

[London Art Studies](#) is a series of events designed to make art accessible and entertaining – not least because they are held at London's Bulgari and The Berkeley Hotel and involve morning coffee, luncheons or wine evenings. Other talks this month include The Golden Age of Haute Couture and there's also the first of a series called The Great Art Debate - the merits of Ai Weiwei versus those of Damien Hirst.
